- Office of Naval Research, CACI

UNIQUE VALUE PROPOSITION

BRODY Professional Development is dedicated to providing a return on investment for clients, without long-term overhead. Our post-program support includes free facilitator e-mail access, web-based articles, and other tips & techniques.

Every program is tailored through research and phone interviews, to meet the client's objectives and audience demographics. BRODY creates specifically designed teams to meet these exact client needs – matching in house and external subject experts accordingly.

All BRODY facilitators/ speakers are subject matter experts, who members of the media regularly interview on workplace/career topics. Many have written or co-authored titles in the professional development genre.

Every new BRODY facilitator/speaker goes through a rigorous in-house training program before conducting client training. High evaluations and letters of praise from event organizers and participants are the norm.

More than 90% of our business is repeat and referral.
